

Special Love, Inc.

Donor Privacy

The privacy of all Special Love, Inc. ("Special Love") donors is extremely important and we are committed to maintaining the utmost confidentiality. All donor information collected is retained in a secure database and allows us to track each donor's giving history as well as interests.

Special Love also provide donors the opportunity to remove their name from any or all of our mailing lists.

Any personal information collected by Special Love is subject to the following policy and procedures:

- Although we may request personal information (e.g., name, address, phone number, email address, and credit card number) for the purposes of accepting donations and sponsorships, Special Love does not retain personal credit card information after the transaction has been completed. All online transactions are securely transmitted using SSL encryption and credit card information is not retained by Special Love.
- Personal information stored in the Special Love database is protected by a secure login with authentication as well as assignment of a unique ID to each person with access to the donor records.
- Special Love also treats as confidential any and all information regarding which programs or events each donor supports as well as any materials shared with the donor (e.g., events and camps information, newsletters, and the annual scrapbook).

Sharing of Personal Information

Special Love does not trade, share, or sell any donor information with any outside organization, vendor, or entity.

Removing Name From Our Mailing List

It is important to Special Love to honor each donor's preferences with regard to the method and frequency of communication. Donors may contact us at any time to request removal from our mailing list(s).

Special Love Website

Special Love does not collect any personally identifiable information about visitors to our website and maintains the utmost control of any donor information submitted through the website, including donor pages. You may read our full website policy [here](#).
