

Internships Available

Please join our unique community!

Special Love, Inc. is a non-profit located in Winchester, Virginia whose mission is to provide a community of support for children with cancer, and their families.

Cancer knows no boundaries. For more than three decades, Special Love has helped children with cancer to “just be kids,” through weeklong and weekend camps, emergency financial assistance, and college scholarships. Our community of support assures struggling families they’re not alone in their battle.

Special Love’s internships allow you to work hours that best fit your class schedule, and provide you with experience in **fundraising, marketing and communications, community programs, and administration.**

Our internships provide you with the hands-on experience you need, while allowing you to help improve the lives of children with cancer.

Fundraising:

- Assist in fundraising events, donor solicitation development and acknowledgements

Marketing & Communications:

- Assist with website updating and development of promotional materials.

Community Programs:

- Assist with communications for weekend programs to campers and families, preparing for activities, and the updating and filing camper information.

Administration:

- Inputting of donor gifts and general office help.
